SKILLS

- **Languages:** Java, Python
- **Frameworks/Libraries:** Pandas, React, Node.js
- **Frameworks/Libraries:** Tableau, Excel
- **Database:** MySQL
- **Soft Skills:** Problem Solving, Analytical Thinking, Teamwork, Adaptability

PROJECTS

- **Student Result Analysis System- [LINK](#):** Aug 2025 - Mar 2026
 - Developed a Python-based system using **Pandas** to read and analyze student result data from CSV files.
 - Analyzed student marks and performance data to generate useful insights and identify overall performance patterns.
 - Implemented data handling and basic analysis operations using **Python and Pandas**, improving the process of working with structured result data.
 - **Tech:** Python, Pandas
- **EyetoLense – [LINK](#):** Apr 2025 - May 2025
 - Built a service platform where users can find nearby photography and videography professionals based on their location and requirements.
 - Reduced **API response time** by optimizing backend API calls and data handling, making the application faster and more responsive.
 - Created a complete **user and partner workflow** where users can view services, contact partners, negotiate prices, and book photography or videography services.
 - **Tech:** React, Node.js, Firebase
- **Library Management System – [LINK](#)** Dec 2024 - Feb 2025
 - Developed a console-based Library Management System using Java to manage book records.
 - Implemented basic operations like adding, searching, issuing, and returning books.
 - Used ArrayList to store and manage data efficiently within the application.
 - **Tech:** Java, OOP

TRAINING

- Java Full Stack Development Training – TCS ILP Jun 2026 – Aug 2026
- Completed TCS ILP training focused on Java, Spring Boot, Angular, React, and MYSQL.
 - Developed REST APIs, implemented CRUD operations, and connected applications with databases for smooth data handling.
 - Used OOP concepts, debugging, and problem-solving skills to build and improve full-stack applications .

CERTIFICATES

- Cloud Computing - IIT Kharagpur - ([Certificate](#)) July 2025
- Data Structures and Algorithms - GFG ([Certificate](#)) July 2024

ACHIEVEMENTS

- **Winner, Celesta Hackathon:** Aug2024
Ranked #1 in a team among 400 participants at university level.
- **Earned Certification in Cloud Computing – NPTEL:** Apr 2025
- Got 62% in Cloud Computing Proctored Exam.

EDUCATION

- **Lovely Professional University** Punjab, India
Bachelor of Technology - Computer Science and Engineering; CGPA: 7.40 Sep 2022 – Jul 2026
- **Maharaj Mahesh Thakur Mithila College** Bihar, India
Intermediate; Percentage: 64.4 Apr 2020 – March 2022
- **S.S International Public School** Bihar, India
Matriculation; Percentage: 67.2 Apr 2019 - March 2020
